# Marriage Of Prince Of Wales Forecast By Churchman

Popular discussion and conjecture regarding the matrimonial alliance for the Prince of Wales has been re-vived in England by a speech delivered recently by the bishop of Ri-

ground "that' before long the Prince of Wales would be necessary to introduce the words 'the Princess of Wales" after those of "Edward, I ince of Wales," in the liturgical prayers for the royal family, as provided by an act of Parlia-

who fawned upon Mrs. Alnslie, took her riding in automobiles, dined and of wealthy admirers he is the man who will be named in the alienation suit.

Objected'to Her Acting.

Mr. Ainslie objected strongly, his atorney said, to the employment of his wife as a singer and dancer in a Broadway jazz palace. In this emdoyment, it is recited, she dressed in diaphanous gowns and clothes of and parsimonious dimensions, in extreme decollete or tights and in filmy, cymphic costumes, displaying her orm and figure to the public gaze and to the vulgar, leering stare of morbid nultitudes.

Her actions and friendships in "the heart of New York's Tenderloin, and ho was an aviator in the war, a man over a balcony in a a divorce, it is asserted.

Despite her husband's exhortations, the answer relates. Mrs. Ainslie declined to give up her cabaret work "deserted and abandoned and refused to live with him."

In her separation suit Mrs. Ainslie said that her husband tried to disfigure her by throwing iodine in her face. The couple were married in 1917, and have one child, Lloyd N.

When informed of the action of her appear and introduce himself husband and the charges made in his answer, Mrs. Ainslie said: "It doesn't mean anything to me ble. If not, battle invariably what he says. I know nothing of the
